

Colorado
Youth At Risk

November 22, 2010

Mr. Clay Storer
1815 Irving Street
Denver, CO 80204

Dear Clay,

Thank you for going one step beyond and answering the call to action. Due in large part to the sponsorship by FBO Contracting, we raised close to \$100,000 in donations and pledges from the 8th annual *Partners for a Bold Future Breakfast*. This accomplishment is a great feat and, through your sponsorship, you have ensured that the momentum we have gathered at CYAR will continue throughout 2011.

The 8th annual *Partners for a Bold Future Breakfast* was a huge success with over 550 attendees and more money raised this year than in the previous two events! With the funds raised from all who attended the event, we will be able to continue the mission of Colorado Youth at Risk- to empower students to make life choices that positively impact their future through community-based mentoring and intensive training. Your support ensures a transforming life experience and, more importantly, a positive future for the youth of our community.

During 2010, Colorado Youth at Risk will provide services for 305 youth in our community. With a graduation rate in Denver of 52%, our success of keeping 95% of youth in school makes a positive impact in the community.

On behalf of our Board of Directors, staff at Colorado Youth at Risk, and the youth we serve, we would like to say thank you for sponsoring the 8th annual *Partners for a Bold Future Breakfast*. It is community members like you who truly make a difference in the lives of our youth. We hope to see you again next year for the 9th annual *Partners for a Bold Future Breakfast* as we continue to inspire youth in our community!

Sincerely,

Patti Bennett, MSW
